ADITYA KUMAR NAHAK

Website Devloper

ABOUT ME

Hii Everyone, i'm Aditya Nahak a passionate web developer who loves to create clean and responsive designs. Currently i'm a student of VSSUT Burla, I enjoy learning new technologies and building real-world projects. Now I'm also developing my analytical skills and learning DSA in C++ language. My goal is to be a full-stack developer. Rather than coding, I enjoy music, gaming, and exploring new ideas.

EXPERIENCE

Smart-India-Hackathon 2025

2025

Website / App Developer

- Developed and deployed a responsive website and mobile application to solve the given SIH problem statement using modern frameworks and tools.
- Collaborated with team to develop and optimize scalable, high-performance, and user-friendly web and mobile features.

National Cadet corps At DAV

2019 - 2021

Junior Commander

- Played the role of Junior Commander in the NCC during school. This helped me a lot to improve leadership, time management, and decision-making skills..

Team Leadership

2017 - 2019

Digital Marketing

- Served as House Captain, leading 100+ students in Inter-House Competitions at DAV and VVM.
